ART MESSAGING

SMS: Short Message Service. From this current mode of communication, Elodie Pong has created a form of writing—rapid, evocative, intimate—the dialogues of which this book is witness. Stories without a scenario, bits of conversations, fragments of intimate moments, breached identities: an experience of writing by editing, the work is the script of possible situations, real or fictional, in which several non-identified characters evolve.

Born in Boston, Elodie Pong is an artist and filmmaker living in Zurich.
