Pages: 208

Pictures B&W: / Color: 100

Price: CHF 45, EUR 29, GBP 20, USD 39

SCHINWALD'S ENCYCLOPEDIA

Both the content and the extraordinary layout of this publication leave the conventional, structured exhibition catalogue behind, and instead aspire to the appearance of an encyclopedic volume in the style of late 19th-century publications. With its idiosyncratic character, the concept enfolds a specific connection to Markus Schinwald's artistic method. A library of terms related to the idea of lexicons was chosen and explained through short definitions of approximately 800 words. The artist accompanies these definitions with images. Thoughtful comments and touching illustrations alternate throughout this diverse book.

Published with the Migros Museum für Gegenwartskunst, Zurich, and the Österreichische Galerie Belvedere, Vienna.
